“Red Tagged” We Take Care Of It

- 1) If you pack it, you tag it. If we pack it, we tag it.
- 2) When you book with us, get your free “We Care Tape”.
- 3) When you pack your fragile items, put your red tape around your box, so we know which boxes are fragile.
- 4) Extra care will be taken to protect your fragile items.
- 5) Please only mark your *fragile* boxes with red tape.

IMPORTANT

- 6) By Shur-Way providing this service it does not mean that you can take any less care in packing fragile items, as Shur-Way is not responsible for breakage of poorly packed items. Shur-Way provides “We Care Tape” so that when you pack your fragile items, we can take extra care to reduce the chance of damage to your “packed by owner” boxes.
