Dear Friends,

We would like to thank the Brzezinski family, and the dedicated staff and employees of Shur-Way, for their support of the Popcorn Sale of the Northeast Illinois Council, Boy Scouts of America. We have just completed our most successful sale ever, selling and distributing over \$1.7 million in retail value of Popcorn. This would not have been possible without your help.

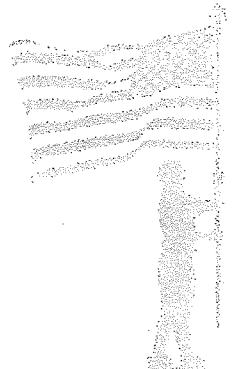

For the last three years, Shur-Way has provided us warehouse space and assistance with loading and delivery of product. This was no small task, working thru the logistics of handling 90,089 containers of product that arrived in 15 volume truck loads. Your professionalism and flexibility made the experience of this operation a great one.

Your support of this program has made it possible for the Northeast Illinois Council to provide a quality program experience for over 17,000 Scouts, and support for the over 4,000 adult volunteers in our programs.

Your dedication to, and support of Scouting, and other community organizations is outstanding. We look forward to being able to work with you in the future and continue to highlight the outstanding service and support you have given us, the community, and all of our Scouting volunteers.

Sincerely,

Charles H. Frieman
Director of Support Service
