RE: Our move on January 12-13, 2012  
DAN, JOHN, RYAN, SHANE AND BRETT (JOSH, TOO)

To Whom It May Concern:

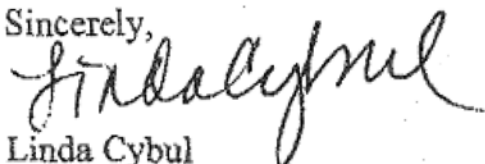

I just wanted to take the time to thank your company for the wonderful job of moving us from our old home in Antioch to our new home in Antioch. From the very beginning when we first met with Josh, who estimated our job, we were extremely impressed. He was very professional, pleasant and put our minds "at ease" about moving our household. Josh was such a pleasure to deal with and we knew right away that we were going with the right company (and NOT "Two Men and a Truck").

You should also know that our crew was just the BEST!!!!!!! These gentlemen were so courteous, thoughtful, careful and professional that we were amazed. They made a stressful situation seem like no big deal because they were just the nicest group of guys who did a wonderful job. They should be commended on a job well done.

My husband and I would like to do something for these fine men. If you have any suggestions, please let me know.

Thank you again. We will be SHUR to recommend you in the future to anyone we know who will be moving.

Sincerely,

Linda Cybul
